

## **1 Resource Inc announces partnership with Regal Castors PVT Ltd**

Toronto, Ontario

September 2023

**1 ReSource Inc** is pleased to announce their new partnership as an exclusive Sales Agent and North American Distributor for **Regal Castors PVT Ltd**.

*Regal Castors* have been India's leading and professionally managed caster and wheel manufacturer since 1984 and have just recently been recognized by Industry Leaders Awards Brand Empower of New Delhi for the 2023 Best Business award.

*Regal Castors* are ISO 9001 certified, and all casters are produced and tested to current international standards such as ANSI, BIFMA, DIN, EN, CMA and FIRA and are compliant in RoHS as well as REACH.

*Regal Castors* are committed to creating a greener future and sustainability is a key priority in the way they operate. As a measure of their green focus, *Regal Castors* uses recycled programs and processes as well as renewable energy at their office and manufacturing facilities. In the last year alone, *Regal Castors* used 400 metric tons of reclaimed ocean fishing nets and 3.5 million single use plastic bottles over the last couple of years.

*Regal Castors* currently has multiple production facilities and produces 50 million casters annually within a growing international export market.

**1 ReSource Inc** is excited to be providing sales and marketing, as well as international distribution from its Toronto, Canada and San Bernardino, California warehouses.
